

Catherine & Dylan Rogers

Being a dynamic and creative team, Catherine & Dylan supply their clientele with over 18 years combined experience in the real estate industry with commitment, care and outstanding results as hallmarks of their service. Collectively their hands on experience and knowledge has been gathered from diversified backgrounds in mobile computing/technology, psychology, real estate and residential construction, working with both national and local custom home builders from Boulder to Fort Collins. A strong commitment to professionalism and keeping clients comfortable and well informed has yielded the best benefits of an exceptional home selling and buying experience! Celebrating the Outdoors, Energy & Lifestyle that characterize Northern Colorado, Catherine & Dylan are both graduates of Colorado State University. Having lived in Fort Collins since 91' they have extensive local market knowledge and hands-on involvement with community events and projects that give them opportunity to create lasting relationships. Collectively they provide a strong team to both buyers and sellers with a unique insight into quality, value, negotiation, effective marketing strategies, specializing in: primary and secondary residences, first time home purchases, new construction, luxury property, and rental/investment homes.
